

We Need to Hear from You!

The future of the Walnut Creek Watershed depends on the input you provide.

Don't know what a watershed is?

Come find out at this all-ages event.

Participate in fun activities:

- Build your own rain barrel.
- Test Walnut Creek's water quality.
- Discover the work of Paddle Artist Nancy Crowfoot.
- Preview the NEW Greater Des Moines Bicycle Commuter Map.
- Learn the art and science of bicycle building from the experts!

Help improve water quality and minimize flooding in this 52,643 acre watershed!
