**B. PUBLIC AGENDA ITEMS**

Arbor Day 2022 Planning:

The city has submitted applications for grants from Black Hills and MidAmerican Energy to assist with the costs for the Arbor Day Event. The dates for the event are April 30<sup>th</sup> with May 7<sup>th</sup> as an alternate date in case of bad weather. Guthrie stated the awards will not be announced until February, and the amount of assistance would probably impact the number of trees that can be ordered. General discussion on the various companies to approach for bids followed with Iowa Native, Miller, Bentley Ridge, and DFM Gardens being the primary contacts to submit the bid requests.

Public Works updates: Guthrie stated that Park and Recreation would be including the Arbor Day event information in their Spring brochure. DeYoung said that the city could include a notice with the next utility mailing as well. Additional discussion about contacting the high school for volunteers will be explored as well.

Park & Recreation updates: None

The next regular meeting will be at Sunny Hill for the Arbor Day Planting April 30<sup>th</sup> – Rain Date: May 7<sup>th</sup>.

Meeting adjourned at 6:08 p.m.
