

NEW Yard Waste Collection Day for Grimes Residents

Yard waste will now be picked up on TUESDAYS

The first day for Grimes residents to get rid of yard waste from the curb through the Compost It! program will be Tuesday, March 29. Collection day has moved to Tuesday, rather than Monday.

Collection day is changing due to a new yard waste hauler, Ankeny Sanitation (ASI). ASI will be collecting yard waste throughout the 2016 season which goes through December 2.

Disposal options through the Compost It! program remain the same. There are two easy ways to dispose of yard waste at the curb – or you can mix and match:

1. Bag & Sticker Program

Compost It! Bags

The cost of the Compost It! brand bag covers the cost of collection, no sticker is required. Do not exceed 40 lbs. per bag.

Store-Brand Bag + Compost It! Sticker

A Compost It! sticker must be attached to a generic or store-brand bag. The sticker cost covers the cost of collection. Be sure to face the sticker toward the street so the hauler can see it.

Compost It! Sticker + Brush Bundles

Attach a Compost It! sticker to each brush bundle and place it next to carts or bags. Bundles cannot exceed 18 inches in diameter or four feet in length.

2. Cart Service

A Compost It! cart has wheels, just like your Curb It! cart. Simply roll it to the curb on garbage day during Compost It! season. The 96-gallon cart can hold the equivalent of three yard waste bags, but you can always use the Bags & Sticker program if your yard waste exceeds the cart's capacity.
