

National Pollutant Discharge Elimination System

Notice Date: 11-5-2015

The Iowa Department of Natural Resources is proposing to approve an application for reissuance of an NPDES (National Pollutant Discharge Elimination System) permit for the discharges described below:

DISCHARGER NAME AND ADDRESS:

GRIMES, CITY OF STP
1801 N. JAMES ST.
GRIMES, IOWA 50111

LOCATION: Township: 80 Range: 25 Section: 29 County: Polk

DESCRIPTION OF DISCHARGES

001 DISCHARGE FROM AN ACTIVATED SLUDGE WASTEWATER TREATMENT FACILITY.

RECEIVING STREAM: LITTLE BEAVER CREEK

Stabilized sludge is applied to local land according to state regulations.

Anyone wishing to comment on or object to the proposed issuance of this permit must do so in writing within forty-five (45) days of the date shown at the top of this notice. All comments received will be considered in the final determination. If no objections are received within forty-five (45) days, the Department will issue a final permit. You may request the Department hold a public hearing by submitting a written request stating specific reasons why a hearing should be held.

Comments, objections, and requests for hearings may be submitted online using the Wastewater Permit Information Exchange system at <https://programs.iowadnr.gov/wwpie/>. Comments, objections, and requests for hearings may also be addressed to the: Iowa Department of Natural Resources, NPDES Section, 502 East 9th Street, Des Moines, IA 50319.

Copies of the proposed permit and other information may be viewed on WWPIE at the web address noted above. This information is also on file and available for public inspection from 8:00 AM to 4:30 PM Monday through Friday at the above street address. In addition, copies of this information may be requested by calling Ryan Olive at (515) 725-1235 or e-mail at ryan.olive@dnr.iowa.gov.

PUBLIC NOTICE PROCEDURES AND CERTIFICATION

Enclosed are three (3) copies of a public notice prepared by the Department stating our proposal to REISSUE an NPDES permit. In addition to the distribution of this notice already made by the Department, you are required by the Iowa Administrative Code to circulate the public notice in the following manner:

1. Post a copy of the public notice in a public place, such as the post office, library, city hall and/or other public places within the city.
2. Post the public notice at your facility or your facility offices.
3. Publish the public notice in the local newspapers for one day **AT YOUR OWN EXPENSE**.

You must publish and post the notice no later than 15 days from the "Notice Date" shown on the enclosed notice. The posted notices must remain in place for thirty (30) days.

The notice that you publish must contain all of the information shown on the attached page titled "National Pollutant Discharge Elimination System".

Please complete the certificate below and return it with a copy of the published notice immediately after publication. Return to:

Ryan Olive
NPDES Section
Iowa Department of Natural Resources
502 East 9th Street
Des Moines, IA 50319

The copy should identify the date the notice appeared in print and the name of the publication. An affidavit from the newspaper is not required.

CERTIFICATE	
This is to certify that the public notice has been circulated in accordance with the above instructions.
